

PRIVACY POLICY

INFORMATION PURSUANT TO ART.13-14 OF GDPR (GENERAL DATA PROTECTION REGULATION) 2016/679

WEBSITE OF THE PROCESSING: comintel.eu

This page describes how the website is managed with regard to the processing of personal data of users who consult it.

This information is also provided pursuant to articles 13 and 14 of the GDPR 2016/679 to those who interact with the web services of the data controller, accessible electronically from the address of the data controller's website corresponding to the home page of the website.

The information is provided only for the aforementioned site and all sites in its sub-domains.

The information is also inspired by Recommendation number 2/2001 and Article 13 of Legislative Decree number 196/2003, which Italian and European data protection authorities have adopted to identify certain minimum requirements for the collection of personal data online, and, in particular, the manner, timing and nature of the information that data controllers processing must provide to users when they connect to web pages, regardless of the purposes of the connection.

DATA CONTROLLER

The updated list of all data controllers is available at the registered office of the data controller and will be provided upon written request.

PLACE OF DATA PROCESSING

Processing related to the web services of this site takes place at the operational headquarters of the data controller or on the servers where the site is hosted and are handled only by technical or administrative staff in charge of processing, or by possible persons in charge of occasional maintenance operations.

The personal data provided by users who forward requests to send informative material, request access to the site are used for the sole purpose of performing the service or provision requested and are communicated to third parties only if it is for that necessary purpose.

The personal data you provide are collected by telematic means and processed, including by electronic means, directly and/or through delegated third parties for the following purposes:

- purposes related to accessing website traffic information;
- purposes related to the dissemination of information on "web" and "email" traffic detection statistical methodologies; and
- Statistical purposes, including through the use of e-mail.

It is informed that the data of the associate and/or principal and information about the deposited works are communicated, with appropriate procedures, or to users or service providers, operating outside the national territory (including non-EU).

In any case, your data will not be sold to third parties.

TYPES OF DATA PROCESSED

Navigation data

The computer systems and software procedures used to operate this website acquire, in the course of their

normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This information is NOT collected to be associated with identified interested parties, but which by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of computers used by users connecting to the site, the URI (Uniform Resource Identifier) notation addresses of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters related to the user's operating system and computer environment. These data are used for the sole purpose of obtaining statistical information on the use of the site and to check its correct functioning. The data could be used to ascertain responsibility in the event of hypothetical computer crimes to the damage to the site.

Data provided voluntarily by the user

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site involves the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the missive. Specific summary information will be progressively reported or displayed on the pages of the site prepared for particular services on request.

COOKIES see specific information on cookies

No personal user data is acquired by the site in this regard. Cookies are used for the transmission of information necessary for the operation of the site, persistent cookies may be used for the use of automatic automatic login, or systems for tracking users. The use of session cookies (which are not stored in a persistently on the user's computer and vanish when the browser is closed) is limited to the transmission of identifiers session cookies. The session cookies used in this site avoid the use of other computer techniques potentially detrimental to the confidentiality of users' browsing and do not allow the acquisition of personal identification data of the user.

OPTIONALITY OF PROVIDING DATA

Apart from that specified for navigation data, the user is free to provide personal data to the data controller in order to solicit the sending of informative material or other communications. Failure to provide them may result in the impossibility to obtain what has been requested.

PROCESSING METHODS

Personal data are processed by automated tools for the time strictly necessary to achieve the purposes for which they have been collected. Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

METHODS OF PROCESSING

Personal data are processed by automated means for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

RIGHTS OF DATA SUBJECTS

The subjects to whom the personal data refer have the right at any time to:

- access to personal data;
- obtain the correction or deletion of the same or the limitation of the processing concerning him/her;
- object to the processing;
- to data portability;
- withdraw consent, where provided: withdrawal of consent does not affect the lawfulness of the processing given before the revocation;

- to lodge a complaint with the supervisory authority (Garante Privacy)

The exercise of your rights may be done by sending a request by e-mail to privacy@comintel.eu.

All requests should be addressed to the data controller.

This Privacy Policy is drafted in two languages, Italian and English. In the event of any doubts as to interpretation, the Italian version shall prevail.
